Fair Oaks Ranch Homeowners' Association (FORHA), The Fair Oaks Ranch Rotary Club, and the City of Fair Oaks Ranch are jointly hosting a Community Shred Day again this year. The event is free to Fair Oaks Ranch residents. GVTC is sponsoring the event and covering the cost of the event. **Fair Oaks residents can bring up to four containers. Please use kitchen sized plastic garbage bags for your documents. Because the shred contractor cannot shred or remove cardboard boxes, you will need to leave with the same number of boxes that you bring.** Staples, paper clips or metal clips do NOT have to be removed. NO CDs or 3-ring binders are accepted.

Destruction of all paper is confidential and guaranteed by the bonded contractor. Destruction will occur on site. Certificate of destruction will be on file at the FORHA office.
